

PolioPlus, Rotary's most ambitious program to date, focuses on global immunization efforts, and has played a leadership role with the World Health Organization, CDC, and UNICEF in brining the world to the brink of polio eradication.

In partnership with the Gates Foundation and Rotary International PolioPlus efforts, we expect the world to be free of this devastating disease within the next decade.

at Spring House Estates Café

between Bedford & Everett

You're Always Welcome!

About Rotary...

Rotary is a global network of committed servant leaders.

Rotary Clubs bring together dedicated individuals to exchange ideas, build relationships, and take action.

Rotarians represent many aspects of the business community; they meet regularly to plan and implement community service activities and humanitarian efforts at home and around the globe.

More than 1.2 million men and women in over 200 countries and geographical areas belong to over 33,000 Rotary clubs.

Throughout the world, Rotary clubs participate in a broad range of educational, intercultural, and humanitarian activities designed to improve the lives of others.

Benefits of Membership

Members may join Rotary for many reasons, including community involvement, personal development, professional networking, and camaraderie with fellow members.

But perhaps the most important benefit is the satisfaction gained from making a real difference in our community and around the world.
